TIPS FOR SELECTING A CASp

- If you're hiring a CASp to inspect your entrance for the Accessible Business Entrance Program (ABE), ask about their knowledge about the ABE program. Visit <http://sfdbi.org/ABE> for program details.
- Shop around! Experience, cost, inspection/report thoroughness, and ongoing support are important factors to consider when hiring a CASp to work with.
- San Francisco's topography and historic buildings pose unique accessibility challenges when compared to other cities. Ask about experience with San Francisco businesses and local permitting agencies, including the Department of Building Inspection, Planning Department, and SF Public Works.
